2020 VIRTUAL WORKSHOP-RETREAT

July 31 - August 2, 2020, Zoom

Thank you for registering for the 2020 Torrance Virtual Workshop-Retreat!

We hope that you were able to participate, and, if so, that you now feel more connected to others as a result of the weekend. We trust that conversations were *started* that will continue into the future. We pray that God will bless you and your work. And we ask that you would pray for the T. F. Torrance Theological Fellowship, that it might serve and encourage the next generation of scholars.

Registered participants included 126 people from every inhabited continent, including the following countries: Australia, Brazil, Canada, England, France, India, Japan, Kuwait, New Zealand, Nigeria, Norway, Puerto Rico, Scotland, Singapore, South Korea, and the United States.

All videos and chat transcriptions, which were posted on the Full Program page by the end of day Sunday, August 2, will remain available through Monday, August 17, and then be taken down. This leaves

everyone two weekends (including today) to go back and take notes!

What a remarkable set of resources they are.

The gallery photo, taken at the end of the Sunday panel session, can be viewed or downloaded from the Participants List.

During the Workshop-Retreat, 9 books were given away, courtesy of Wipf & Stock, Lexham Publishers, T&T Clark, and Fortress Press. Book discount information and flyers remain available on the Virtual Book Hall page.

It's not too late to add your "Two Statements" to the others. Many people had fun coming up with something creative and then sharing it during the Happy Hour and in the comments on the Happy Hour page. If you missed that opportunity, you're welcome to go ahead and add them now. These remain a great way to break the ice in the future when you want to contact someone -- try to guess which statement is true and ask them if you're right.

The Guest Pass will last through August 17. If you want to have future access, consider joining the T. F. Torrance Theological Fellowship and obtaining your own individual member account.

Using the link below, please complete a survey about the Workshop-Retreat, what it meant to you, what we might have done better, and what we might try to do next. We also invite you to leave comments of this sort on the Full Program Page.
