

Three Theological Models

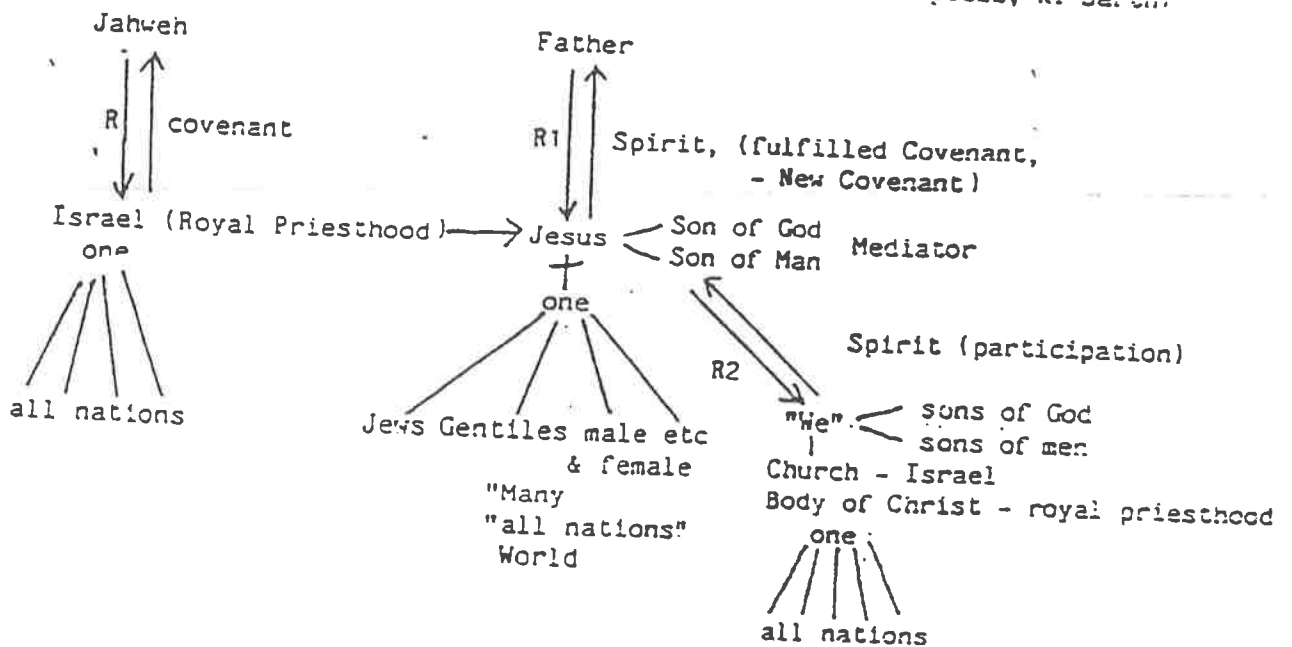

1. The Unitarian Model (Harnack, Hick - liberal Protestantism)

2. Existential, Experience Model (early Barth, Bultmann, evangelical experience)

3. Trinitarian, Incarnational Model (Nicaea, Calvin, McLeod Campbell, K. Barth)

PROTESTANT LIBERAL MODEL

1. GOD TALK - our cultural projection
 - expression of our self- understanding
 - culturally relative
 - "mythology"

2. MORALS
 - relative
 - my choice, our mutual consent
 - expression of my (our) self understanding
 - criterion - personal (mutual) self realization
 - culturally relative

i.e. nothing given by God
no revelation
subjective experience is criterion
all is relative - no absolutes

TASK - "Explore my own spirituality"II
