# ***Participatio: The Journal of the Thomas F. Torrance Theological Fellowship***

*Participatio* is an annual, peer-reviewed, open access journal of the Thomas F. Torrance Theological Fellowship ([tftorrance.org](http://tftorrance.org)), a research fellowship within the Christian Church and tradition based on the theology of Thomas F. Torrance. The journal's mission is two-fold: to apprehend the significance of Torrance's work and to advance his evangelical and scientific theology for the benefit of the Church, academy, and society. Contributions from diverse disciplines and perspectives will be encouraged to explore the wide-ranging significance of Torrance's legacy. Occasional miscellaneous issues will include paper presentations and responses from the annual conference, book reviews, etc. For more information see [participatio.org](http://participatio.org).
